WARMEST GREETINGS FROM BALI, “WONDERFUL INDONESIA”

Introduction

The Location

Batur Lake, Location of the 1st Bali Inter'l Dragon Boat Race & Fes 2016 and place of the 1st Asian Beach Games in Bali in 2008 (right)

Bali is an island and province of Indonesia. The province includes the island of Bali and a few smaller neighbouring islands, notably Nusa Penida, Nusa Lembongan, and Nusa Ceningan. It is located at the westernmost end of the Lesser Sunda Islands, between Java to the west and Lombok to the east. Its capital of Denpasar is located at the southern part of the island.. Being an original lake it focuses on the concept of a recreational park bringing an image for its uniqueness.

Bali is a popular tourist destination in Asia and is renowned for its highly developed arts, including traditional and modern dance, sculpture, painting, leather, metalworking, and music. The Indonesian International Film Festival is held every year in Bali. Since the late 20th century, the province has had a rise in tourism.

Bali is part of the Coral Triangle, the area with the highest biodiversity of marine species. In this area alone over 500 reef building coral species can be found. For comparison, this is about 7 times as many as in the entire Caribbean. There is a wide range of dive sites with high quality reefs, all with their own specific attractions. Many sites can have strong currents and swell, so diving without a knowledgeable guide is inadvisable. Most recently, Bali was the host of the 2011 ASEAN Summit, 2013 APEC and Miss World
