WHO WE ARE?

Technical office founded within the field of Active and Sports Tourism. Legally speaking, it is a travel agency and thus its travel offers are able to be packaged. The company was founded in 1993 by a team formed by people who come from the world of sport with the aim of promoting and making the most of the installations which Banyoles offers as the secondary base of the rowing races in the 1992 Barcelona Olympic Games, and later, as a base for other national and international sports competitions. Specialized in the "Training camps" fields, it has recently created a department in cycling which has as its starting point Transpyr Tours and the development of cycle tourism in the Pyrenees. In 2010, the Dragon Boat Emotions section in the company was created.

Dragon Boat Emotions is a specific activity area from Agenda Sport & Elements exclusively focus on team building development based in the Dragon Boat and specialized in Dragon Boat's Festivals.

OUR EXPERIENCE IN DRAGON BOAT FESTIVALS!

DATE AND LOCATION

19 / 20 MAY 2018

ENJOY BARCELONA!

Barcelona is one of the most important tourist destinations in Europe, with millions of people visiting every year. The city is famous for its 19th century modernist architecture. The best known of those buildings was designed by Antonio Gaudi. It is the unfinished church Sagrada Familia, which is the symbol of Barcelona but Barcelona is very well known for the Olympic games in 1992 and for its tapas food as well.

DISCOVER CASTELLDEFELS AND BAIX LLOBREGAT AREA!

Boasting an enviable geographic location, the Baix Llobregat is little more than 15 minutes away from the centre of Barcelona and its international airport. Sea, river and mountain give shape to this region. With more than 15 km of wide beaches, it also has the majestic Montserrat mountain. The modernista style, a symbol of the region, is well represented by the church built in Colònia Güell by Antoni Gaudí. Multiple options, surprising contrasts and continuous discoveries - you simply must visit Baix Llobregat.

Castelldefels is one of their most important towns, located about 20 km (12 mi) southwest of Barcelona and its international airport. This small town is famous for its long beach (more than 5 km) and for being the place of residence of many famous sportsmen (Messi, for instance). The ancient castle of Fels, which gave this town its name, dominates the coastline of the city.

CANAL OLÍMPIC, THE BEST VENUE!

The 1st Hong Kong Barcelona International Dragon Boat Fest will take place in the Canal Olímpic de Catalunya (In Castelldefels) built for the 1992 Olympics and one of the best sports venues in Europa for Kayak and water sports.
