## Background information:

In 2012, the Development Bank of Singapore (DBS) organized its first DBS Marina Regatta (<http://www.dbsmarinaregatta.com/>), Singapore's first international Dragonboat Race since 2000, also the biggest water sports festival. The event attracted national teams from Indonesia, Philippines, Hong Kong, Brunei, Malaysia and Singapore to compete in the Premier category, as well as a myriad of local Singapore community teams and corporate teams to compete in the other open categories.

Next year, DBS will once again be organizing this regatta at [Marina Bay Promontory on 17<sup>th</sup> & 18<sup>th</sup> May 2013](#). Singapore Management University (SMU) is privileged to be collaborating with DBS to host its tertiary championship category, proposed to be the [Asian Universities Dragon Boat Championship 2013](#).
